Planet Saturn encompasses our karmic debts on a massive scale, Asteroid Karma focuses on the theme of the karmic debts that made Saturn appear where it does in the chart. Karma can indicate a negative balance or positive balance.

Negative Karmic events are like accidents, heart breaks, exposure to outbursts that seem unfair and financial losses. Retrograde Karma means the odds of acts that created more negative karma than positive karma is high.

In Tantrik Traditions, Kaali rules Kundalini Energy. She rules the Kundalini of all humans as well as Planets and even the Manifested Universe. Asteroid Kaali thus gives us insights about our approach to Kundalini Energy and Kundalini Yoga. Know that Kundalini magnifies whatever she touches, and it is wisest to experience Kundalini in the Crown Chakra where we can experience Samadhi or Blissful Awareness of the Cosmos.

In Jewish Traditions “Shekinah” is Kundalini, in Sufism “Ruh” is Kundalini and in Christianity, “Holy Spirit” could be a reference to Kundalini. Occult sects refer to this as “Serpent Power”. Vedic Traditions have the maximum documentation on this subject .

Kaali is in 9 Taurus, 8th House making a 60 degree sextile with Mars.

Here, Kaali's placement is in the Fated House. Kundalini experience is fated, even if it be just little. But the sextile to Mars awakens a lot more Kundalini during sexual experiences. Taurus rules creature comforts and erotic sensation, so your Kundalini will be felt during intense stimulation. The purpose is to make you aware of this, to encourage you to know more about this Divine Energy of amazing Power.

SIVA

Asteroid SIVA explains the way we feel or think about the Eternal God or “God Source” or One True God or “Tao”, depending on our religious beliefs. In Vedic texts, Siva is pure Consciousness that controls “Shakti”, the Energy that permits Manifestation. An allegory is of a Mathematical Formula for a 3D Object which gets filled out into a 3D Shape. The filling out and shaping of the object is because of Shakti, and the source of the Formula and the inspiration to manifest that formula are from Siva.
